General and Revenue Secretariat

As per resolution of the Mt Cl it is added that the land in question is to revert to the Mcty in case it is not used for the purpose for which it is granted Under the same circumstances it is not clear from the records whether the building constructed on the land is also revert to the Mcty In G O No 7954 (Flag L) Mt 239-34-3 (Re grant of a site to Dr Paul Chinappa by the Bangalore city Mcty for the construction of a High-school) it has been stated that the question of disposal of the building will be dealt with under the general provisions of the law governing such matters Perhaps the same condition has to be enforced in the present case referred to

This does not seem necessary
